12 Defendant.

Case No. 21-cv-00260-VKD

**ORDER GRANTING PLAINTIFF'S  
MOTION FOR LEAVE TO SERVE  
SUBPOENA**

Re: Dkt. No. 9

12  
13 Plaintiff Strike 3 Holdings, LLC ("Strike 3") seeks leave to serve a third-party subpoena on  
14 AT&T U-verse prior to a Rule 26(f) conference.

15 Strike 3 has established that good cause exists for it to serve a third-party subpoena on  
16 AT&T U-verse, the above-referenced subscriber's internet service provider. *See Gillespie v.*  
17 *Civiletti*, 629 F.2d 637, 642 (9th Cir. 1980); *UMG Recording, Inc. v. Doe*, No. C08-1193 SBA,  
18 2008 WL 4104214, at \*4 (N.D. Cal. Sept. 3, 2008). Strike 3 has demonstrated that (1) it can  
19 identify the defendant with sufficient specificity such that the Court can determine that the  
20 defendant is a real person or entity who could be sued in federal court, (2) it has identified  
21 previous steps taken to locate the elusive defendant, (3) its action against the defendant could  
22 withstand a motion to dismiss, and (4) there is a reasonable likelihood of being able to identify the  
23 defendant through discovery such that service of process would be possible. *See Columbia Ins.*  
24 *Co. v. Seescandy.com*, 185 F.R.D. 573, 578-80 (N.D. Cal. 1999). Additionally, Strike 3's  
25 application indicates that Strike 3 has satisfied the registration requirements under 17 U.S.C.  
26 § 411(a) for commencing a copyright infringement lawsuit. *Fourth Estate Public Benefit Corp. v.*  
27 *Wall-Street.com, LLC*, 139 S. Ct. 881 (2019). Once Strike 3 learns the defendant's identity, it  
28 cannot rely on a bare allegation that a defendant is the registered subscriber of an internet protocol

1 address associated with infringing activity to state a plausible claim for direct or contributory  
2 copyright infringement. *Cobbler Nevada, LLC v. Gonzales*, 901 F.3d 1142, 1144 (9th Cir. 2018).  
3 However, at this stage of these proceedings, and upon the record presented, Strike 3 properly may  
4 serve discovery to ascertain the defendant's identity. *See generally Glacier Films (USA), Inc. v.*  
5 *Turchin*, 896 F.3d 1033, 1036, 1038 (9th Cir. 2018) (observing that the district court's case  
6 management order permitting "limited discovery from an Internet Service Provider to establish a  
7 potential infringer's identity" was "a sensible way to manage its dockets . . .").

8 Accordingly, the Court grants Strike 3's application and orders as follows:

9 1. Strike 3 may serve a Rule 45 subpoena on AT&T U-verse commanding AT&T U-  
10 verse to provide Strike 3 with the true name and address of the subscriber to whom AT&T U-verse  
11 assigned IP address 108.68.110.208. Strike 3 shall attach a copy of this order to any such  
12 subpoena.

13 2. AT&T U-verse shall serve a copy of the subpoena and a copy of this order on the  
14 subscriber within 30 days of the date of service of the subpoena on AT&T U-verse. AT&T U-  
15 verse may serve the subscriber using any reasonable means, including written notice sent to the  
16 subscriber's last known address, transmitted either by first-class mail or via overnight service.

17 3. Strike 3 may only use the information disclosed in response to a Rule 45 subpoena  
18 served on AT&T U-verse for the purpose of protecting and enforcing Strike 3's rights as set forth  
19 in its complaint.

20 4. AT&T U-verse may object to the Rule 45 subpoena, and may also seek a protective  
21 order.

22 If AT&T U-verse produces information regarding the identity of the subscriber to Strike 3,  
23 Strike 3 shall not publicly disclose that information absent consent of the subscriber or leave of  
24 court.

25 **IT IS SO ORDERED.**

26 Dated: February 4, 2021
